## Carlos modular sofa

S

Soft, continuous lines flow through the upholstered volumes, interweaving with an architectural wooden frame, almost transparent in space. Meticulous craftsmanship reveals a quiet, timeless elegance, while seemingly simple forms hold a deeper, enduring complexity. Curved modules encourage a fluid sense of conviviality, as relaxed, decorative cushions introduce a subtle interplay of textures and tones.

SS

## Pedro modular sofa

Sculptural by nature, wood takes center stage, celebrating craftsmanship as a refined gesture. Glossy mahogany reveals a tactile elegance, while the modular system opens to fluid compositions, evoking a timeless allure suspended between nautical inspirations and indoor-outdoor living.

## Nikos modular sofa

A presence that shapes outdoor living with elegance and warmth, asserting itself as a scenic focal point. Geometries in dialogue between rigor and softness, while the modular system transforms freely, creating fluid, intimate, and sophisticated domestic landscapes.

## Zeno O modular sofa

S

A clear seventies evocation, the glossy lacquered wood base shapes a sophisticated landscape. Generous shelves become an architectural gesture, between support and comfort. Visible stitching conveys a sartorial elegance-modular, fluid, and enveloping.
