TRANSPARENT BEAUTY

The design of the metal frame and transparent glass cover showcases a simple and stylish geometric shape, creating a harmonious visual effect.

Lamps emit soft light through glass through clever lighting, creating a warm and comfortable atmosphere while creating elegant light and shadow effects in the space.

STRING

Inspired by music and art, this modern chandelier features a simple yet elegant design. Its streamlined appearance and slender structure resemble the light strings on an instrument, displaying a sense of movement and rhythm. The transparent lampshade combined with the metal frame emits a warm atmosphere through the glass, adding an artistic touch to the space.
