

VILLARI

NEWNESS 2026

Villari returns to Milan Design Week 2026 with a renewed vision, unveiling a series of exclusive novelties that fuse the elegance of classic Italian craftsmanship with contemporary aesthetics. The new pieces highlight the brand’s dedication to porcelain as a medium of artistic expression, capturing the soul of timeless design through refined silhouettes, intricate textures, and radiant finishes.

Where Elegance Meets Expression

The exhibition invites guests to explore an immersive environment where each room is a story, each creation a chapter. Chandeliers bloom like sculptural gardens, mirrors reflect unexpected perspectives, and vases emerge as delicate architectures of form. This year’s collection builds on Villari’s legacy of fine artisanship, with a fresh language of design that speaks to a global audience while remaining deeply rooted in Italian tradition. A journey of light, form, and material awaits those who step into this world of refined imagination.
