ARGO XL

DIVANO / SOFA

Design: D. Dolcini

Sistema di sedute modulare con base in massello di noce canaletta e puntali in metallo finitura ottone spazzolato o cromo nero. Rivestimento sfoderabile nei tessuti della collezione e non sfoderabile in pelle. Sedute imbottite con poliuretano espanso a quote differenziate con parte superiore in Memory Foam. Cuscini poggiatesta opzionali imbottiti con piuma d'oca canalizzata (etichetta Oro secondo la certificazione Assopiùma). Le basi sono disponibili in cinque diverse larghezze (cm. 170/195/220/245/270) e accolgono sedute, contenitori (larghezza cm. 25) e tavolini (larghezza cm. 25/50/110). Possibilità di scegliere due diverse profondità (cm. 90 e 110).

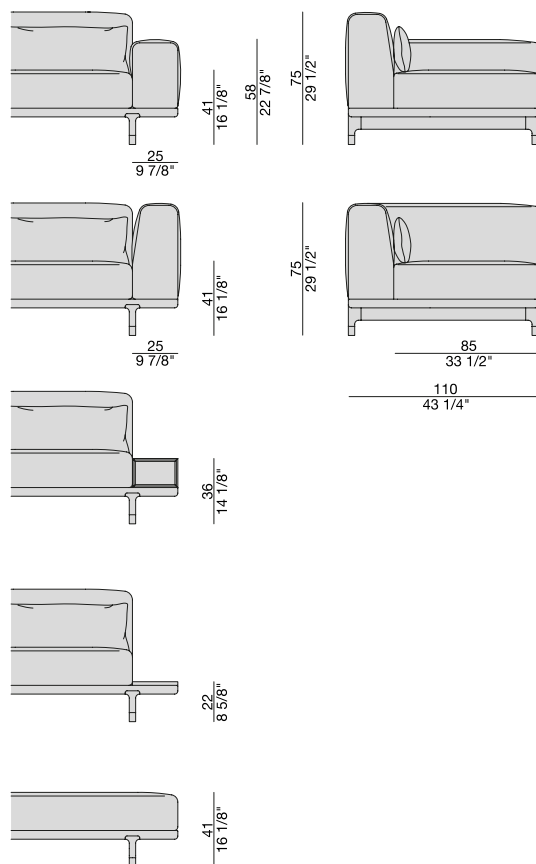

Modular seating system with base in solid canaletta walnut and metal caps with brushed brass or black chromed finish. Removable upholstery in the fabrics of the collection, leather upholstery cannot be removed. Seat cushions padded with differentiated-density polyurethane foam with upper part in memory foam. Optional lumbar cushions padded with goose down baffle (Gold label according to the Assopiùma certification standard). The bases come in five widths (170, 195, 220, 245, and 270 cm) to accommodate seating elements, storage units (25 cm) and coffee tables (25, 50, and 110 cm widths). Available in 2 different depths (90 cm and 110 cm).

BEO

SCRITTOIO / WRITING-DESK

Design: G. & O. Buratti

Scrittoio con base in massello di noce canaletta e piano in legno con inserto centrale in Cuoietto, suddiviso in due sezioni separate da un porta matite; fascia posteriore del piano a ribalta con funzione passacavi oppure come opzione presa Schuko con USB e USB-C. Cassetto centrale suddiviso in quattro scomparti con fondo rivestito in Cuoietto nella stessa finitura dell'inserto centrale del piano. Possibilità di aggiungere Beo mirror, a destra o a sinistra del piano.

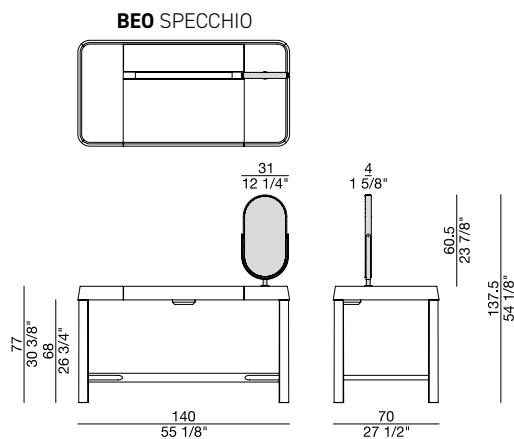

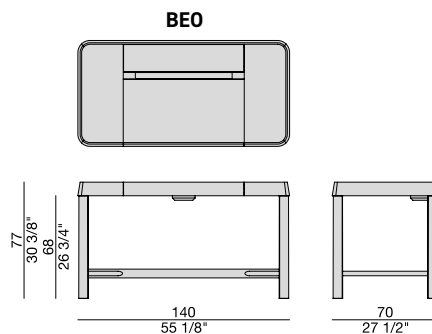

Writing desk with a solid canaletta walnut base and a wooden top featuring a central Cuoietto leather insert, divided into two sections by a pencil holder. The back of the top is designed for cable management or can be fitted with an optional Schuko socket with USB and USB-C ports. A central drawer, divided into four compartments, has a Cuoietto-lined bottom that matches the top insert. The Beo mirror can be added as an option and positioned on either the right or left side.

FLAVIO 200 / 250

SCRITTOIO / WRITING-DESK

Design: U. Asnago

Scrittoio direzionale in noce canaletta con struttura esterna rivestita in cuoietto e struttura interna in legno. Piano con inserto in cuoietto con cuciture a vista. Sul piano è prevista una vaschetta portamatite a più vani, una presa Schuko e due prese USB a scomparsa (nel Flavio 250 si trovano su entrambi i lati del piano). Attrezzato sul lato destro con pianetto estraibile push/pull, anta con serratura e ripiano interno in legno. Sul lato sinistro sono previsti un tiretto portamatite con apertura push/ pull, due cassetti e un cassetto portacartelle con chiusura rallentata. Maniglie in legno.

Executive writing desk in canaletta walnut with outside frame covered by cuoietto leather and inside frame in wood. Top with cuoietto leather insert with visible stitching. On the top there is a storage unit with different compartments for small objects, one Schuko and two USB pop-out plugs (they are located on both sides of the top in Flavio 250). Equipped on the right side with a push and pull small top, door with lock and internal wooden shelf. On the left side there is a small push and pull drawer for pencils, two drawers and a deep drawer for folders with soft closure. With wooden handles.

MY DREAM

TESTATA LETTO / HEADBOARD

Design: Essetipi

Sistema di testate autoportanti e attrezzabili. Il supporto della testata è personalizzabile nelle dimensioni e nelle configurazioni, con possibilità di inserire mensole (My Dream Shelving) oppure elementi scrittoio/coiffeuse (My Dream Desk). È possibile integrare contenitori con cassetti di diverse dimensioni. Il volume autoportante consente il fissaggio totale o parziale degli elementi imbottiti. Le testate letto disponibili sono Aida e Boheme. È prevista l'integrazione di moduli switch completi di prese e interruttori per una perfetta funzionalità della zona notte. Intercapedine tecnica posizionata tra la testata e la parte attrezzata per la gestione dei cablaggi.

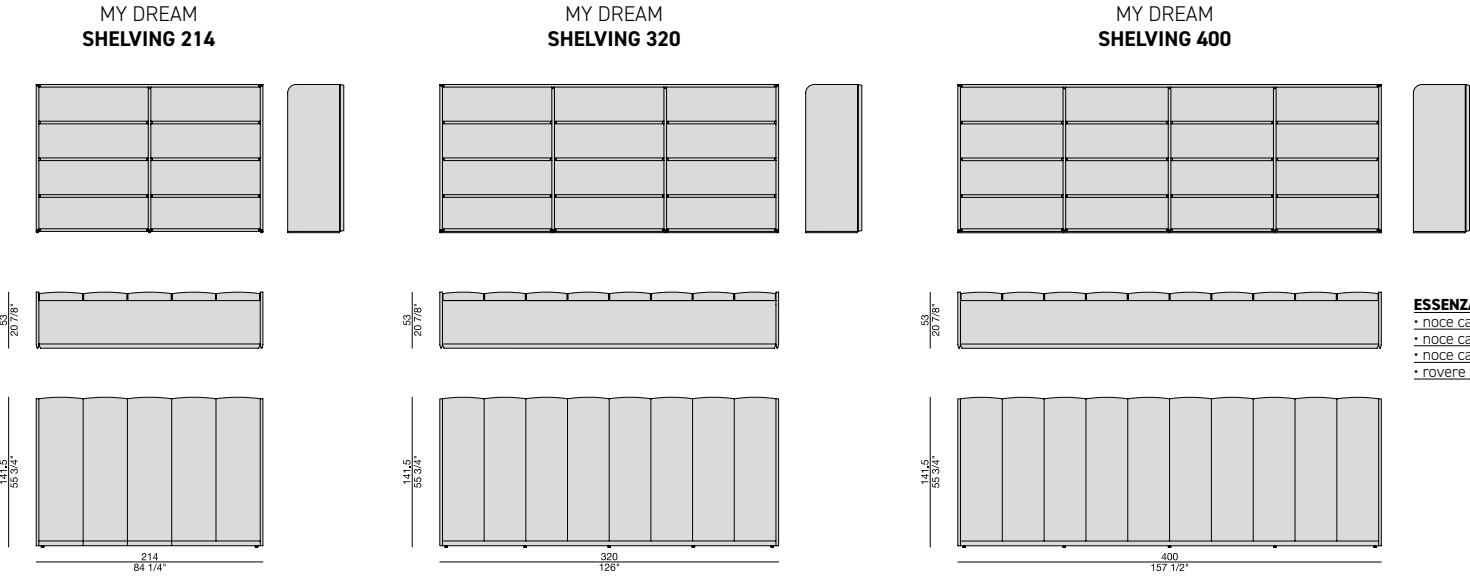

Modular freestanding headboard collection. The bedhead support can be customized in size and configurations, with the possibility of adding shelves (My Dream Shelving) or desk/dressing table elements (My Dream Desk). Storage units with drawers in various sizes can also be integrated. The freestanding unit allows full or partial fixation of the upholstered headboards, to be selected between Aida and Boheme collections. Integrated switch modules with sockets and controls can be added to enhanced functionality in the sleeping area. A technical void between the headboard and the fitted section enables cable management.

PIERRE

SISTEMA / SYSTEM

Design: G. & O. Buratti

Sistema componibile con moduli da cm. 60 o 120 di larghezza, e fino a 300 di altezza. Il sistema, in noce canaletta o rovere, si caratterizza per la sagoma in massello che si innesta sui profili verticali e orizzontali. Ante in vetro o completamente in legno. Interno dei contenitori personalizzabile con Led sotto top, schienale declinabile nella stessa essenza e finitura della composizione o in laccato brillante poliestere nei colori della collezione. Mensola interna in cristallo o legno. Top in legno o in marmo con protettivo in poliestere lucido. I moduli contentitori possono essere abbinati ad un sistema a parete con mensola portante in legno e pannello porta TV realizzato in laccato lucido o in legno per alloggiare TV fino a 85". Disponibile con appoggio a terra in essenza o, per composizioni a 3 o 4 moduli in larghezza e due in altezza, con base in legno.

Modular system with units 60 or 120 cm wide and up to 300 cm high. The system, available in canaletta walnut or oak, is defined by solid wood profiles that connect the vertical and horizontal elements. Doors are available in glass or fully in wood. The interior of the units can be customised with under-top LED lighting. The back panel can match the wood and finish of the composition or be finished in glossy polyester lacquer in the collection colours. Internal shelves are available in glass or wood. Tops come in glass or marble with a glossy polyester protective finish. The storage modules can be combined with a wall-mounted system featuring a load-bearing wooden shelf and a TV panel in high-gloss lacquer or wood, suitable for TVs up to 85". The system is available with a floor-standing base in wood or, for compositions 3 or 4 modules wide and 2 modules high, with wooden base.

RHODE

DIVANO / SOFA

Design: G. Viganò

Sistema di sedute modulare in noce canaletta o rovere, con rivestimento sfoderabile nei tessuti della collezione con taglio del tessuto previsto in larghezza. La componibilità prevede moduli totalmente imbottiti con la possibilità di aggiungere elementi in legno come tavolini di servizio integrati, posizionabili come terminali o interposti tra le sedute. Struttura interna in multistrato di pioppo e abete e cinghie elastiche in caucciù disposte in parallelo. Imbottitura interna composta dalla stratificazione di gomme a diversa densità rivestite da fibra anallergica accoppiata a vellutino bianco. Schienale con imbottitura in gomma morbida indeformabile composta da un doppio strato di densità che assicura una morbidezza progressiva, sormontata da uno strato di fibra anallergica. Cuscini sfoderabili in fibra e particolato di gomma anallergica. Al fine di garantire un confort omogeneo e duraturo nel tempo l'imbottitura dei cuscini è organizzata in camere disposte a chiasmo. È necessario specificare l'altezza della seduta desiderata (h. 43 cm o h. 46 cm.) al momento dell'ordine.

Modular seating system in Canaletta walnut or oak, with removable upholstery in the collection fabrics and fabric cutting designed across the width. The modularity of this sofa includes fully upholstered units with the possibility of adding wooden elements that serve as integrated side tables, which can be positioned at the end of the composition or between two modules. The internal structure is made of poplar and fir plywood, with elastic straps arranged in parallel. The padding consists of layers of foams with different densities, covered with hypoallergenic fiber bonded to white velveteen. The backrest features soft, non-deformable foam padding composed of a double-density layer to ensure progressive softness, topped with a layer of hypoallergenic fiber. Cushions with removable cover are filled with fiber and hypoallergenic shredded foam. To ensure consistent and durable comfort over time, the cushion padding is divided into chambers arranged in a chiasmic pattern. The desired seat height (h. 43 cm or h. 46 cm) must be specified at the time of order.
