Pure/id

The flower bud gently
hangs down
Lazy, gentle, natural
and fresh

Like a poetic suspension
Transforming abstract meteor showers
into concrete works of art

MT2521-1 5W

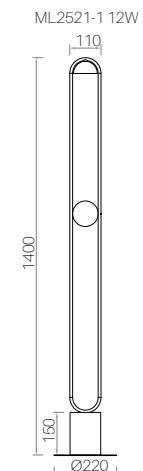

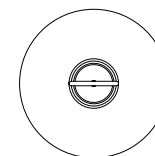

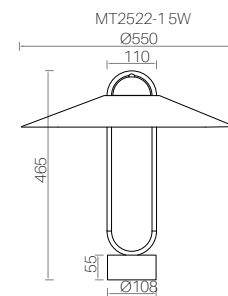

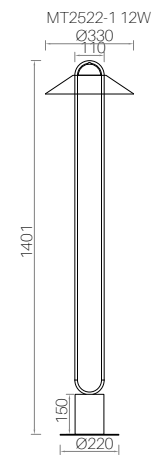

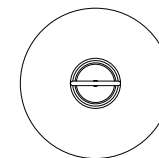

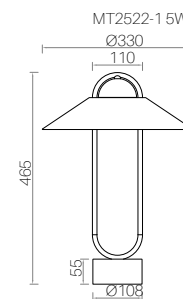

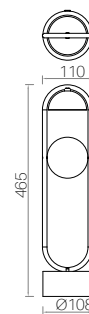

1/100 quality of life

Purity is the soft texture contained in clean lines, where the shackles are removed, the cumbersome, and the vulgarity is not seen.
The messy life style constitutes the symbol of modern life. It follows the fashion of the current frame and defines the personality without principle.
Everyone is overlapping the same life. To have an attitude of self, simply experiencing a unique sense of pure life seems to be a 1/100.
